

How to do SAT practice in the Upward Bound KhanAcademy.org Account

If you are already connected to the Upward Bound account:

1. Go to Khanacademy.org
2. Click on Login
3. Click on Continue with Google or Facebook or enter Email & Password
4. You should see under My courses an SAT icon to click on
5. Toward the top click on Practice tab
6. Start practicing

If you aren't connected to the Upward Bound account, but have a Khan account:

1. Go to **satpractice.org**
2. Click on [Start practicing](#)
3. Highlight **Learner**, enter **birthdate**, and
4. Under the **Blue Login Boxes** click on **enter class code**
5. Enter **2MRJPQR6** and click **Add**
6. Click on [Log into your existing account](#) and use Continue with Google or enter Email & Password
7. If using a google account, it may ask you to choose an account that you would like to use. Choose the account and click Allow.
8. You should be on your khan academy profile page that has **Your Teachers** listed on it (make sure trioupwardbound8746@gmail.com is listed under it)
9. Click on your **login name** in the upper right of the screen, then choose **Notifications** (even though it may say 0) and scroll until you find **IN BLUE: Your coach trioupwardbound8746 would like you to share your SAT practice with them** and click on it
10. Answer the questions: Choose **A or B** to the first question, click **Next to question 2** at the bottom and then answer **B** to the second question
11. Click **Onward!**
12. Click on **Share my SAT activity with trioupwardbound8746**
13. Click **Onward!**
14. Start practicing by clicking the **Practice** tab at the top next to the **Dashboard** tab. Take any quizzes listed under **Your diagnostics**.

If you aren't connected to the Upward Bound account and don't have a Khan account:

1. Go to satpractice.org
2. Click on [Start practicing](#)
3. Highlight **Learner**, enter **birthdate**, and
4. Under the **Blue Login Boxes** click on **enter class code**
5. Enter **2MRJPQR6** and click [Add](#)
6. Click on [Create a new account](#)
7. If using a google account, it may ask to choose an account that you would like to use. Choose the account and click Allow.
8. You should be on your khan academy profile page that has **Your Teachers** listed on it (make sure trioupwardbound8746@gmail.com is listed under it)
9. Click on your [login name](#) in the upper right of the screen, then choose **Notifications** (even though it may say 0) and scroll until you find **IN BLUE: Your coach trioupwardbound8746 would like you to share your SAT practice with them** and click on it
10. Answer the questions: Choose **A or B** to the first question, click [Next to question 2](#) at the bottom and then answer **B** to the second question
11. Click [Onward!](#)
12. Click on **Share my SAT activity with trioupwardbound8746**
13. Click [Onward!](#)
14. Start practicing by clicking the **Practice** tab at the top next to the **Dashboard** tab. Take any quizzes listed under **Your diagnostics**.
